

Opt-Out Photograph Release Form

The term “photograph” as used herein encompasses both still photographs and motion picture footage.

Createch often takes photographs of students and staff for the purpose of promoting Createch. This form allows participants/guardians the option to not allow Createch to take photographs of them/their minor children for the purpose of promoting Createch. Failure to exercise this option, releases and discharges Createch from any and all claims arising out of the use of photographs, or any right that the parent or minor may have.

To exercise this option, check the box below and provide the information to Createch staff. Participants are responsible for communicating their opt-out presence to the Createch Staff:

I do not give Createch permission to take photographs of me/the minor named below or photographs in which I/the minor may be involved with others for the purpose of promoting Createch. I, _____ have read the above statement and fully understand its contents.
